REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-2009 school year has been another year full of many wonderful happenings and accomplishments at McCormick Elementary School. We continue to emphasize character building, academic growth, and developing positive relationships with families and the community.

We received the Palmetto Silver Award for academic achievement based on our 2008 PACT results. As part of the External Review Team process, we developed a Focused School Renewal Plan for this school year. Due to a lot of hard work from students, staff, and parents we met all of our goals.

Teachers worked in collaborative teams to gather a wide variety of resources to address all standards while still allowing for differentiation of instruction. One area of differentiation we chose to implement this year was single-gender classes for fifth graders. Teachers received on-going training and support for this initiative.

This year we joined the National Elementary Honor Society and held our first induction. Twelve fourth- and fifth-grade students were inducted during a formal ceremony.

Our PTO worked very hard this year and sponsored several events including our two skate nights, our spring positive behavior celebration, and several other fundraisers. The PTO was able to donate \$8,000 to the school for the purchase of new media center furniture.

McCormick Elementary had several guests visit with our students including: Fossil Frank, DHEC-recycling and several members of the local arena football team-Florence Phantoms. The guests provided wonderful experiences and insight for our students.

We continue to involve parents and community members in our school with activities such as: Grandparents' Day, Veterans' Day, Black History month, Career Awareness programs, Family PASS night, and field day.

McCormick Elementary School is a great place to learn and have fun! Go Mustangs!
